

Directions

Whilst easily accessible from either Junction 25 or 26 of the M5, we recommend you use Junction 26 to avoid Taunton Town Centre traffic. Continue following the A38 towards Taunton, passing the Rumwell Farm Shop on your left until you see the The Crown, also on the left. Rumwell Hall is directly opposite on the right hand side and you enter the drive just by the layby near the bus stop. From Junction 26 it should take less than 5 minutes and is approximately 3 miles.

Buses:

First Bus numbers 22, 22A, 92 and 92A between Taunton and Wellington stop directly outside Rumwell Hall and run about every 20 minutes, with a journey time from us to the two town centres of Wellington and Taunton, taking approximately only 10 minutes.

PLEASE NOTE:

At this moment Google Maps, Bing and Streetmaps will all take you to the wrong turning, so when you reach the A38 please use these very simple directions to make your life easier!
